Obara Corporation, having a place of business at 4-2-37 Ogami, Ayase-shi, Kanagawa-ken, 252-1104, Japan is the owner of a 100% interest in the instant application by virtue of an Assignment recorded at Reel 010642, Frame 0041. Obara Corporation hereby certifies that the above-identified Assignment document has been reviewed, and that to the best of the Assignee's knowledge and belief, the Assignee possesses the entire right, title and interest with respect to the above-mentioned patent application.

Obara Corporation hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 USC § 154 to 156 and 173 of prior U.S. Patent No. 6 223 971 issued on May 1, 2001 and forming the basis of the double patenting rejection. Obara Corporation hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any

patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Obara Corporation does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the whole statutory term as defined in 35 USC § 154 to 156 and 173 of the prior patent, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 35 USC § 1.321, has all claims cancelled by a re-examination certificate, is re-issued, or is in any manner terminated prior to the expiration of its full statutory term.

The undersigned is an attorney of record.
